Dear colleagues and friends,

This is the third general circular concerning The 14th International Saga Conference in Uppsala 2009.

It is now time for the final and binding registration. The registration period opens on 15th november 2008.

Pre-registered participants may revise and complete their existing registration through our website. Please follow the instructions sent to you by e-mail.

Participants who have not pre-registered may fill in our online registration form at <http://www.saga.nordiska.uu.se/registration/>.

Deadline for final registration: 1st April 2009 (later registration at a higher fee)

Payment

Information about how to pay will be found at <http://www.saga.nordiska.uu.se/registration/pricelist/>, no later than November 15. Your registration will be confirmed when we have received full payment. Please note that any fees charged by your own bank or ours must be added to the sum.

Changes in the preliminary program

The plenary speakers will introduce and conclude the opening and closing days of the conference, viz. Monday and Friday, respectively. Due to the great number of submitted abstracts we have added some new parallel sessions to the program. There will be four parallel sessions most of the days and even five some days, if necessary.

Abstracts and papers

A total of about 190 abstracts have now been accepted. Acceptances will be mailed out concurrent with this circular. Final papers should not be longer than app. 10 pages (not more than 30,000 keystrokes including spaces) and must be submitted no later than 1st May 2009. This deadline is final. Papers that arrive later will not be included in the pre-print volume.

The format of the papers should follow the guidelines of Scripta Islandica: <http://www.saga.nordiska.uu.se/registration/abstracts/>.

Deadline for submitting paper: 1st May 2009. Papers should be e-mailed (as attachments) to saga@nordiska.uu.se. The abstracts and papers will be placed on our website.

Accommodations

When booking, please make sure you mention the proper reference code, specific for each hotel, <http://www.saga.nordiska.uu.se/accommodations>.

You will have to make your own hotel reservation, but not later than the 9th of June 2009 (the same date applies if you wish to cancel or change your reservation).
